MISSION:
POSSIBLE

October 5, 2007

Dear Industry Colleague,

Please consider becoming a sponsor of ACPA's 44th Annual Meeting – MISSION: POSSIBLE!

Convention sponsors enjoy the benefits of prominent recognition for their companies before hundreds of invited guests. As you know, there is a tremendous goodwill value that sponsors enjoy as their names and logos are displayed prominently and mentioned frequently throughout the program. Premium sponsors enjoy other benefits too, including free registrations. Equally important, all convention sponsors can take great pride in offsetting the rising costs of this important event, and in effect, help make participation possible – and affordable – for a growing number of members, customers, affiliates, and government officials.

Each year the ACPA Annual Meeting is unquestionably an outstanding venue to learn more about the leading opportunities and issues facing concrete pavement in the transportation construction industry. For 2007 we have a newly designed program to inform, educate, entertain, and recognize the contributions of our guests. It is a great opportunity and the place to see and be seen by your colleagues and friends involved in the construction of this nation's highways, airfields, streets, and roads.

As you'll see in the attached information, we have different sponsorship levels to fit almost any budget. Thank you for your participation in the Association and for considering the value of sponsoring the 44th Annual Meeting. For more information, contact Maryann Beckman-Berman at 847-966-2272.

Sincerely,
