

# **LIFETIME PAVEMENT PERFORMANCE AWARD**

## *Description*

---

This award honors concrete pavements that have stood the test of time. One pavement project from each market segment – highways, airports, and streets and roads – may be honored annually.

## *Eligibility Requirements*

---

The pavement must be at least 25 years old.

## *Nomination Process*

---

Nominations will be accepted from ACPA members, staff and Chapter/States in good standing. Only one nomination is allowed per member company, staff member or chapter.

## *Selection Process*

---

The ACPA Executive Committee will review the nominations and select the winner. The projects will be evaluated based on the following:

- Time of service.
- Design versus actual traffic loadings.
- Existing level of performance.

Where available, lifetime maintenance costs and percentage of design traffic for the pavement should be included with the nomination.
